* **Attorney General Opinion No. 98-20:**

If clearly authorized by the creditor, a collection agency may collect whatever interest on a debt its creditor would be authorized to impose. A collection agency may not impose interest on any account or debt where the creditor has agreed not to impose interest or has otherwise indicated an intent not to collect interest. Simple interest may be imposed at the rate established in NRS 99.040 from the date the debt becomes due on any debt where there is no written contract fixing a different rate of interest, unless the account is an open or store accounts as discussed herein. In the case of open or store accounts, interest may be imposed or awarded only by a court of competent jurisdiction in an action over the debt.
